## Message from The Headteacher

These words have never been more apt when you see the potential damage that the misuse of social media can cause. In assemblies this week, we have reflected on the effect name-calling and throw away remarks can have on an individual. Reflection is one of our core values and the children have had the opportunity to discuss positive and negative comments. Next week the focus will be on transition. This will enable all the classes to meet their new teachers. We are also looking forward to welcoming the new Year 3 children. In the autumn term, I very much hope that we will be able to hold the “Meet the Teacher” meetings in person. This will give you the chance to ask any questions.

Have a good weekend and let us hope that the Euro dream for England continues.

Mr. Davies

## Sports Day

Although Sports Day was slightly different this year, it was still filled with energy, lots of cheering and great team spirit. Well done to everyone who took part! We would like to say a huge thank you to Mr Johns for organising all

## It's a Jungle out there!

Hillingdon Council have joined forces with the London Road Safety Council to run a campaign to help Year 6 pupils make a safe start at secondary school in September. As we come out of lockdown, the roads are busier, children are not used to increased traffic and may have forgotten the Green Cross Code. They may be travelling to secondary school along new routes, maybe without you, with friends, or on their own. The danger of children being involved in road traffic accidents may increase at this time. **So what can you do about it?** Talk to your children about road safety and plan a safe route to their new school, it's as simple as that! We want your children to stay safe on the roads as they move up to secondary school because **it's a jungle out there!** If you want to know more, you can download a free guidebook [itsajungleoutthere.info](https://itsajungleoutthere.info)
