Message from The Headteacher

This week has certainly been a moment in history with England reaching a final. The children were buzzing on Thursday morning and cries of, "It's coming home!" could be heard on the playground. Whilst it is a time of celebration, the football has also created discussion points. In the assemblies this week, we discussed the booing of other anthems and how disrespectful it is.

The other main discussion has been around the booing of people who decide to take the knee. Ayren and Breeana from Year 5 led the assemblies on the theme of racial injustice. After one of the England matches, Ayren decided he wanted to create a PowerPoint about being open-minded and understanding stereotypes. The other year groups have listened attentively to these assemblies. They have reflected on the importance of pupil voice, and I want to thank both Ayren and Breeana for all their efforts this week.

This week, the children enjoyed meeting their new teachers for next year. I would like to welcome Mrs Spencer who will be joining us in September. Unfortunately, we have to say good-bye to Mr Goodchild who will be leaving us. I would like to thank him for all his hard work over the last seven years in developing computing, maths and PE. We wish him the very best in his new job. Have a good weekend and enjoy the final.

Mr.Davies

It's a Jungle out there!

Hillingdon Council have joined forces with the London Road Safety Council to run a campaign to help Year 6 pupils make a safe start at secondary school in September. As we come out of lockdown, the roads are busier, children are not used to increased traffic and may have forgotten the Green Cross Code. They may be travelling to secondary school along new routes, maybe without you, with friends, or on their own. The danger of children being involved in road traffic accidents may increase at this time. **So what can you do about it?** Talk to your children about road safety and plan a safe route to their new school, it's as simple as that! We want your children to stay safe on the roads as they move up to secondary school because **it's a jungle out there!** If you want to know more, you can download a free guidebook itsajungleoutthere.info
