Please complete the form available from the school office if you wish to attend.

Philosophy Questions

Each week we will be posting a philosophy question for parents to discuss with their child at home. This will help children contribute to their weekly class philosophy lessons. Philosophy is all about encouraging young people to think. By motivating children to look at the world from different points of views we hope to develop inquisitive minds who are keen to engage in discussions and listen to each other. Philosophy is about learning how to be logical, present arguments, spot bad ones and respect different opinions. This week's question is:

If you could give one gift to every single child in the world, what would it be?
