4th September 2019

Dear Parents of Pupils in Year 4

We write to inform you of the trips we have arranged to enrich the Year 4 curriculum during the academic year of 2019 - 2020.

A schedule is attached detailing the trips which are planned. You can see that we have yet to confirm the dates of the trips taking place later in the academic year. It is also possible that additional trips may take place. However, further details of each trip will be sent out in due course.

In the meantime, please would you complete, sign and return the attached trips schedule by **Monday 9th September** giving permission for your child to attend the trips listed. If permission is not received, your child will not be able to take part. If you do not want your child to take part in a trip, then please complete a "Non-Attendance of Trip Form" available from the school office stating the reasons why you do not wish your child to attend.

Please note the school subsidises many activities it provides to enhance your child's education. However, when voluntary contributions are requested these are in reality essential. Insufficient contributions may lead to a trip or activity being cancelled. If the cost ever causes you a financial problem please contact the school at the earliest opportunity to discuss, in confidence, how we might be able to help.

School uniform, a weather appropriate coat and footwear must be worn for all trips unless advised otherwise. **Please remember not to book a lunch for your child when they are attending a school trip, as refunds are not available.** All trip payments are to be made via The Pantry website.

We hope your child enjoys the activities/trips planned.

Yours sincerely,
The Year 4 Team
