Message from The Headteacher

The different events this week are important in bringing the whole school community together. The Sports Day was our first in nearly 3 years. It was a fantastic event. Thank you again to St John's School, Mr Francis and Mr Johns for the overall organisation and management of the event. It was so wonderful to see so many parents attending especially with the unpredictable weather. I really appreciated how patient and supportive everyone was on Wednesday as we were making the final decision as to whether to proceed or not.

This weekend we are holding our Summer Fair. Any support that could be given would be very much appreciated. I look forward to seeing as many people as possible. All the money raised goes to both schools and is used to support different projects.

Have a good weekend.
Mr Davies

Summer Read Challenge

Northwood Hills Library are visiting us on Thursday to talk to the children about the Summer Reading Challenge. The Summer Reading Challenge combines **FREE** access to books with fun, creative activities during the summer holidays. Throughout the Challenge, library staff support the children, helping them to discover new authors and to explore a wide range of different types of books and ways of reading.

How the Challenge works

- Children sign up through **Northwood Hills Library** and
- receive a Gadgeteers collector poster.
- Children set a reading goal and borrow and read library books of their own choice during the summer.
- Children collecting special stickers to complete their poster and extra incentives along the way.
- Children who complete the Challenge are presented with a certificate and a medal!

The official Challenge website hosts digital rewards, author videos, games and more for children to enjoy all summer: www.summerreadingchallenge.org.uk

If your child takes part in the Summer Reading Challenge, they will continue to learn during the holidays, ensuring they return ready for a great start to the new academic year in September!
