Message from The Headteacher

"When a flower doesn't bloom, you fix the environment in which it grows, not the flower." - Alexander Den Heijer

In our assembly this week, we talked about the 5 ways to wellbeing. With all the challenges of the last two years, thinking about our wellbeing has never been more important. "Connecting" to people was one of the themes and the children have certainly responded in a magnificent way. The number of children that have stopped to ask me how I am is reflective of the caring and respectful ethos that we promote. The wellbeing team will be doing more work on this in the new academic year.

"Giving" is another theme and this was certainly reflected at the summer fair. I would like to thank the PTA and all the people that helped to make the event such a wonderful success. **An amazing £2,700 was raised.** Thank you to everyone!

Have a good weekend and enjoy quality time together.

Mr. Davies

Summer Read Challenge

Northwood Hills Library are visiting us on Thursday to talk to the children about the Summer Reading Challenge. The Summer Reading Challenge combines **FREE** access to books with fun, creative activities during the summer holidays. Throughout the Challenge, library staff support the children, helping them to discover new authors and to explore a wide range of different types of books and ways of reading.

How the Challenge works

- Children sign up through **Northwood Hills Library** and
- receive a Gadgeteers collector poster.
- Children set a reading goal and borrow and read library books of their own choice during the summer.
- Children collecting special stickers to complete their poster and extra incentives along the way.
- Children who complete the Challenge are presented with a certificate and a medal!

The official Challenge website hosts digital rewards, author videos, games and more for children to enjoy all summer: www.summerreadingchallenge.org.uk

If your child takes part in the Summer Reading Challenge, they will continue to learn during the holidays, ensuring they return ready for a great start to the new academic year in September!
