

CHALLENGES POSTER COMPETITION

Toolkit

- ⦿ Paper (A4 or A3)
- ⦿ Creative materials such as pens, pencils, scissors, glue, watercolours, paint, colouring crayons, glitter, pipe cleaners, felt, thread, wool, foil, clay, straws, string, beads, stamps, googly eyes, foam, sequins, pom poms

Part 1

Research your poster

Investigate or imagine the different types of changes occurring in science and the natural world around you. Choose a topic for your poster and do some research around the idea:

- ⦿ What different types of change can we examine in nature?
- ⦿ Carry out a science experiment and investigate the changes.
- ⦿ How has our world changed over the years?
- ⦿ Think about how you might change the world in the future.

Part 2

Make your poster

Once you've done your research, it's time to get creative!

Your poster must be:

- ⦿ 2D (flat) – if you make a model, you need to just send us a photo of it
- ⦿ On A4 or A3 paper

You can use pop up pictures, pull out tabs or use materials such as paint, drawing pencils, crayons and paper.

Next steps

Celebrate! Whether you win a prize or not, you can join makewav.es/britishscienceweek for free, and upload a picture of your poster to get a special BSW2017 digital badge.

DEADLINE

FRIDAY 24TH

MARCH
