

# Unleash Your Child's Imagination With Aveea Academy's STEM Workshops

Empower your child to explore, create, and thrive in STEM like never before.

Our workshops are more than just learning – they're about igniting passions, building confidence, and inspiring the problem-solvers of tomorrow.

## A Glimpse of This Term's Adventures

### Gale-Force Engineering:

Build and test models against high-speed winds, exploring aerodynamics and structural design.

### Organic Soap-Making

Craft 100% organic soaps while discovering the science of sustainability and chemistry.

### Microscope Explorations

Explore spring's tiny wonders through high-powered microscopes, from leaves to insects.

## Dive Into STEM

 Hillside Junior Primary School

 After School Workshops

 KS2 - Friday

We partner directly with STEM leaders, giving your child access to insights and experiences you won't find anywhere else.

## Book Now!

Spots fill quickly – don't miss out! Visit our website to reserve your child's place.
